

## **ECHA's IT systems down**

### *Note for the attention of the ECHA BPC/WGs*

Due to an infrastructure problem, all ECHA's IT systems (IT tools, website, email systems) are currently unavailable. We are working on the issue and apologise for the inconvenience. We will give regular updates on S-CIRCABC for institutional and Member State stakeholders and inform all stakeholders on our Twitter channel: [https://twitter.com/EU\\_ECHA](https://twitter.com/EU_ECHA).

Please contact BPC WG SECR tel. +358-9-6861-██████ for any question you may have.
